

UNIVERSITY OF CENTRAL FLORIDA
GENERAL FACULTY CLASS SPECIFICATION
CLASS TITLE: POSTDOCTORAL ASSOCIATE (with limited benefits)
CLASS CODE: 9189

DESCRIPTION

Responsible to and under the direction of a Principal Investigator of a specific research program of a State university.

Responsible for assisting in and conducting research.

Postdoctoral Associates are appointed for the purpose of receiving further training in the academic program specialty and gaining experience in other areas of activity appropriate to a career as a university faculty member.

MINIMUM QUALIFICATIONS

Doctoral degree and appropriate education and experience.

CONDITIONS OF EMPLOYMENT

Must meet university criteria for appointment to the rank of Postdoctoral Associate. An employee in this class with this rank must—

- 1) Serve a limited appointment only (3 years maximum with only a one year extension);
- 2) Have no administrative responsibilities; and
- 3) Must primarily conduct research with only limited teaching responsibilities.

Effective: August 1, 2005
