

**RETIREMENT STATUS NOTIFICATION**

Please check one box:

- I am a retiree (see definition below) of a State of Florida-administered retirement plan.
- I am NOT a retiree (see definition below) from any State of Florida-administered retirement plan. I have not concluded participation in the Deferred Retirement Option Program (DROP) within the past 12 months or received my first distribution or rollover from any State of Florida-administered retirement plan within the last 6 calendar months.

Retiree definition: You are considered retired if:

- You have received any benefits under the FRS Pension Plan including DROP.
- You have taken any distribution (including a rollover) from the FRS Investment Plan, or alternative retirement programs offered by state universities (SUSORP), state community colleges (CCORP), state government (SMSOAP), or local governments (senior management).

I understand that as a retiree:

- If I am employed by a FRS-covered employer in any type of position during the first 6 calendar months after I retired or after my DROP Termination date, my retirement and DROP status are voided, all retirement and DROP benefits I received must be repaid, and I must reapply for retirement in order to receive future benefits.
- If I am reemployed by a FRS-covered employer at any time during the 7<sup>th</sup> through the 12<sup>th</sup> months after I retired or after my DROP termination date, my monthly retirement benefit must be suspended and any unauthorized benefits received must be repaid.
- Florida law requires a return of all unauthorized Pension Plan benefit payments or Investment Plan distributions received by a member who has violated the FRS termination or reemployment provisions. Failure to disclose retirement from a state administered retirement plan could result in disciplinary action up to and including termination.
