## APPLICANT DATA SURVEY

Your assistance with the University of Central Florida's Affirmative Action Plan implementation is appreciated. The University collects **VOLUNTARY** declarations of race and gender and uses the information to compile statistics on recruitment success. When pools of candidates are diverse, advertisement is completed and screening can begin.

If you choose to assist, your demographic information will be used only for affirmative action. It will be filed separately from the credentials, screening criteria and records of the search. It will not be used to disadvantage any applicant. Your cooperation is deeply appreciated.
