Job Title: Library Technical Assistant Specialist
Job Code: 233
Overtime Pay: Eligible

Primary Responsibility
This is advanced technical, public service, or administrative work requiring independent judgment in assisting library patrons and staff with library services, operations, or facilities. This work may involve creating procedures, negotiating with patrons, or assuming responsibility for a function. The work is performed under the general direction of the Department Head.

Typical Tasks
May initiate and execute unique, high-level department specific functions
May resolve complex library-wide bibliographic, archival, holding, or circulation problems
May perform advanced or original cataloging
May provide advanced reference service requiring comprehensive and specialized knowledge of resources
May arbitrate and assign library fines, book bills or other charges as appropriate to library patrons; collect library funds such as fines, book bills, and other charges and be accountable for proper disposition of those funds.
May hire, train, supervise, and assign tasks to student assistants
May oversee the quality and quantity of work within a unit
May insure tasks are completed in a thorough and timely manner
May act as liaison to the teaching faculty to allocate or assign library materials, resources, and spaces
May negotiate, interpret, and implement policies within an area of work
May recommend changes and improvements to policies, procedures, equipment, or services

Minimum Qualifications
A high school diploma and five years of appropriate experience. Appropriate college course work or vocational or technical training may substitute at an equivalent rate for the required experience.
