

Leadership is Everyone's Business

3-Session Program

Based on the book [The Leadership Challenge](#) by Jim Kouzes and Barry Posner, this three-part workshop explores the “Five Practices of Exemplary Leaders.” Participants will complete an assessment to identify their leadership strengths and areas of improvement; employ at least one method to better engage in each of the five practices; and create an action plan for taking next steps in developing as a leader.

Participants must enroll in the “Leadership is Everyone’s Business: 3 Session Program” as well as Sessions 1, 2, and 3.
