

STRENGTHS TRAINING

Employee Focus

Based on the book *StrengthsFinder 2.0* and the CliftonStrengths assessment, this four-hour course explores participants' top five talents and how they can be leveraged for personal and career growth, as well as to impact team productivity and development. In advance of the first session, participants will be provided a copy of the *StrengthsFinder 2.0* book that contains a code to complete the online assessment.

Strengths Training (Employee Focus)

February 15, 2024
8:00 AM - 12:00 PM

COST: \$125 for assessment and course materials must be submitted by Feb. 2.

Prior to the first session, please complete "Lesson 1" to fill out and submit the Inter-Departmental Transfer form. Payment is non-refundable after the due date and may not be applied toward future offerings.

For Supervisors

Based on the book *StrengthsFinder 2.0* and the CliftonStrengths assessment, this four-hour course explores how participants can use a strengths-based focus on supervision, strategic planning, and leadership dynamics. The course will include time to develop plans for participants' respective responsibilities. Participants will continue to use the same assessment results from the pre-requisite course.

Pre-requisite: Participants must enroll in the "[Strengths Training \(Employee Focus\)](#)" course.

Strengths Training for Supervisors

February 15, 2024
1:00 PM - 5:00 PM

COST: \$75 for supervisor lunch and course materials must be submitted by Feb. 2.

Prior to the first session, please complete "Lesson 1" to fill out and submit the Inter-Departmental Transfer form. Payment is non-refundable after the due date and may not be applied toward future offerings.

All sessions will be held at the [Digital Learning Center](#), room 136A.
