

AGREEMENT

This Agreement is between the UNIVERSITY OF CENTRAL FLORIDA BOARD OF TRUSTEES (hereinafter referred to as the “Board” or “University”), and the CENTRAL FLORIDA POLICE BENEVOLENT ASSOCIATION, INC. (hereinafter referred to as the “PBA” or “Union”).

Article 1

RECOGNITION

Section 1. The Board hereby recognizes the PBA as the exclusive representative for the purpose of collective bargaining with respect to wages, hours and terms and conditions of employment for all employees in the bargaining unit.

Section 2. The Florida Public Employees Relations Commission issued Certification No. 1408 in Case No. RC-2003-001, and as a result thereof, the Board recognizes the PBA as the exclusive collective bargaining representative for the following bargaining unit:

INCLUDED:

All sworn law enforcement officers employed by the University of Central Florida certified pursuant to Chapter 943, Florida Statutes, in the classifications of law enforcement officer, law enforcement corporal, law enforcement sergeant, and law enforcement investigator.

EXCLUDED:

All other employees of the University of Central Florida excluding specifically the classifications of law enforcement lieutenant, law enforcement captain, law enforcement major, assistant chief of police, and chief of police.

Additionally INCLUDED in the unit are the following classifications that were created following the issuance of Certification No. 1408: law enforcement officer first class. Additionally EXCLUDED from the unit are the following classifications that were created following the issuance of Certification No. 1408: law enforcement commander (or commander) and deputy chief of police.

Section 3. The parties agree and understand that if the University creates a new law enforcement classification that the University determines is not in the bargaining unit, the University shall so notify The Employee Grievance Representative and the PBA, in writing. Within fifteen (15) days of such notification, the PBA shall notify the University in writing if it has any objection to the University designating such new classification as non-bargaining unit. If no such written notification is provided to the University within fifteen (15) days, the University's designation of the new classification shall be deemed final and binding upon the parties. If, however, the PBA does provide the University with timely notification, the parties shall meet to discuss such classification designation. If, following such discussion, the PBA disagrees with the University's designation of the classification, it may seek to resolve the matter through the procedures of the Florida Public Employees Relations Commission.

Article 2

NON-DISCRIMINATION

Section 1. Neither the PBA nor the University shall unlawfully discriminate against any employee on the basis of his union activities and/or membership or non-membership.

Section 2. Neither the University nor the PBA shall discriminate against any employee based upon any protected category, as outlined in University Regulation UCF-3.001. Any such allegations shall be subject to the University's procedures, and after exhaustion of such procedures, to the procedures of the Equal Employment Opportunity Commission and/or the Florida Commission on Human Relations. Under no circumstances shall the grievance/arbitration procedures set forth in this Agreement be utilized to process any such allegations.

Section 3. The PBA agrees to support the University's affirmative action programs.

Section 4. All references in this Agreement to employees of the male gender are used for convenience only and shall be construed to include both male and female employees.

Article 3

MANAGEMENT RIGHTS

Section 1. Except as specifically and expressly abridged, limited or modified by the written terms of this Agreement, all of the rights, powers and authority previously possessed or enjoyed by the University prior to this Agreement are retained by the University, and may be exercised without prior notice or consultation with the PBA.

Section 2. Except as specifically and expressly abridged, limited or modified by the written terms of this Agreement, the University shall have the right to exercise its sole and exclusive discretion and authority on all of the following matters:

2.1 To manage the University and the Police Department and exercise sole and exclusive control and discretion over the organization and operations thereof.

2.2 To determine the purpose and functions of the University and the Department.

2.3 To determine and adopt such policies and programs, standards, rules and regulations as are deemed by the University and the Department to be necessary for the operation/improvement of the Department, and to select, manage, direct, and evaluate all management, supervisory, administrative and other personnel. The PBA local university representative shall be notified in writing of any proposed changes and additions to Departmental general orders, policies or substantive procedures five (5) calendar days prior to implementation. This notice period is not applicable where emergent issues exist which require expeditious action to post new or revised Departmental general orders, policies or substantive procedures. The PBA may submit to the Chief written recommendations within one week of notification.

2.4 To take such measures as the University may determine to be necessary to maintain order and efficiency relative to both the work force and the operations/services to be rendered thereby.

2.5 To set methods, means of operations and standards of service to be offered by the Department, and to contract such operations/services to the extent deemed necessary, practical and feasible by the University in its sole discretion.

2.6 To decide the number, location, design and maintenance of the Department's facilities, supplies and equipment. To relocate, remodel or otherwise revise operations and facilities as may be deemed necessary by the University.

2.7 To determine the qualifications of all employees of the Department. To select, examine, hire, classify, reclassify, train, assign, schedule, direct, transfer, promote, lay off, retain and manage all employees of the Department. To demote for disciplinary reasons, discharge and otherwise discipline for just cause.

2.8 To increase, reduce, change, modify or alter the size and composition of the work force.

2.9 To determine the extent of its operations, to determine when any part of the complete operation shall function or be halted, and to determine when, where, and to what extent operations/services shall be increased or decreased.

2.10 To establish, change or modify employees' duties, tasks, responsibilities or requirements.

Section 3. If, in the sole discretion of the President or designee, it is determined that civil emergency conditions exist, including, but not limited to, riots, civil disorders, hurricane/tornado conditions, epidemics, public employee strikes or similar catastrophe, the provisions of this Agreement may be suspended by the University during the time of such declared emergency (except for payment of wages and benefits hereunder).

Section 4. The selection and assignment of non-bargaining unit supervisory and managerial personnel are the sole responsibility of management, and shall not be subject to the grievance and arbitration procedures provided in this Agreement.

Section 5. Provided, however, that nothing in this article shall preclude the PBA from seeking to bargain over the implementation of a management decision if the decision impacts the established wages, hours, or terms and conditions of employment of unit employees.

Article 4

EMPLOYEE REPRESENTATION

Section 1. The PBA shall be permitted to have one Employee Grievance Representative and two Alternate Employee Grievance Representatives. The PBA shall provide written notification to the Chief of Police and the Human Resources Director of the names of the employees designated as the Employee Grievance Representative and the Alternate Employee Grievance Representatives. In the event the Employee Grievance Representative is on vacation or is otherwise absent from work, an Alternate Employee Grievance Representative may act as the Employee Grievance Representative.

Section 2. The PBA may be represented by a PBA Staff Representative or legal counsel in addition to or in lieu of an Employee Grievance Representative or Alternate Employee Grievance Representative.

Section 3. Upon the approval of the Police Chief or his designee, the PBA Staff Representative (or legal counsel) and/or the Employee Grievance Representative (or the Alternate Employee Grievance Representative) shall be permitted a reasonable period of time within which to meet with the Police Chief, the Human Resources Director, or any Departmental management official concerning a formal grievance or matter of interpretation of this Agreement. The exercise of this right by the PBA Staff Representative (or legal counsel) and/or the Employee Grievance Representative (or the Alternative Employee Grievance Representative) shall not impede Departmental or University operations.

Section 4. The PBA shall be permitted to use University facilities for PBA meetings under the same terms and conditions as other non-University sponsored organizations.

Section 5. Upon written request of the PBA, the University will, upon an annual basis, provide a list of bargaining unit employees with the name, classification title, gross salary, and date of hire for each employee.

Section 6. If such documents are not available on line, the University shall provide the PBA with a copy of the personnel rules and the Departmental policies and procedures, including General Orders, applicable to the employees covered hereunder. The University shall also maintain a copy of its personnel rules and Departmental policies and procedures at a location within the Department accessible to employees, and employees shall be notified of such location.

Section 7. Employees may request accrued annual leave for the purpose of attending PBA conventions, conferences, meetings, and negotiating sessions in the same manner and under the same conditions as are applicable to other annual leave requests. Upon the approval of the Police Chief or his designee, members of the PBA's negotiating committee may be permitted to adjust their work schedules to accommodate negotiation meeting dates and times in order to retain their full-time work hours for the pay period, without use of personal leave. Under no circumstances will the Police Chief approve schedule adjustments for attendance at negotiating

sessions where he determines that such approval would result in additional costs to the Department, or the reduction of on-duty staff to an unacceptable level.

Section 8. Where available, the University shall provide the PBA space on an existing bulletin board in the Police Department Headquarters, Lake Nona, and at the Rosen School location for PBA use. Where such bulletin board is not available, the Department agrees to provide wall space for the PBA's own key-locked bulletin board at UCF Police Headquarters; provided that such PBA bulletin board shall not be larger than four feet by three feet. Such bulletin board will be provided by PBA, installed by Physical Plant staff, and all costs for installation shall be paid by PBA. In addition, in order to comply with Section 9 and 10, a key to any PBA provided key-locked bulletin board will be provided to the police chief. The PBA shall utilize the bulletin board for the posting of PBA business and information, as follows:

- notice of union meetings;
- notice of union elections and results;
- copies of the union's constitution and bylaws and amendments thereto;
- notice of PBA recreational and social affairs;
- minutes of union meetings;
- names of PBA officials and changes thereto;
- notices of dues increases.

Section 9. The PBA shall post no material on its bulletin board which may be characterized as political (other than PBA local or state elections), which may encourage insubordinate behavior or which is derogatory or demeaning of any University or Department official or the operations of the University or the Department. The PBA shall cause all materials to bear the name or initials of the PBA official who authorized the posting and the date of authorization. A copy of all materials to be posted shall be provided to the Chief of Police or his designee at the time of posting. Materials which violate the provisions of this Article should not be posted and may be removed by the Chief of Police.

Section 10. The PBA may use the Department e-mail to distribute the information specified in Section 8 above to the bargaining unit employees; provided that a copy of such information must be provided to the Chief (or his designee) at the time of distribution. Section 9 above shall apply to any such e-mail distribution.

Article 5

WORK STOPPAGES

Section 1. The PBA, its officers, representatives, agents or members covered by this Agreement shall not engage in, instigate, or support any strike, work stoppage, slowdown, or picketing in furtherance of any strike or work stoppage, slowdown or refusal to perform assigned work. Picketing, as used herein, shall mean any action which prevents any employee of the University from reporting to or continuing work or prevents the public from entering any University facility. Picketing for purely informational purposes shall not be prohibited.

Section 2. Recognizing that Florida law prohibits the activities enumerated in Section 1 above, the parties agree that the University shall retain the right to discipline or discharge any employee participating in or promoting any of the aforementioned prohibited activities.

Section 3. It is recognized by the parties that the activities enumerated in Section 1 are contrary to the ideals of professionalism and to the Department's responsibility. Accordingly, it is agreed that in the event of any violation of this Article, the University shall be entitled to seek legal and/or equitable relief in any court of competent jurisdiction.

Article 6

INTERNAL INVESTIGATIONS AND DISCIPLINARY ACTION

I. Internal Investigations

Section 1. It is understood that the University has the right to expect that a professional standard of conduct be adhered to by all law enforcement personnel regardless of rank or assignment. Since internal investigations may be undertaken to inquire into complaints of misconduct, the university reserves the right to conduct such investigations to uncover the facts in each case, but expressly agrees to carefully guard and protect the rights and dignity of accused employees.

Section 2. Whenever an employee is under investigation and subject to interrogation which could lead to disciplinary action, the investigative methods used will be consistent with the Law Enforcement Officers' Bill of Rights, Florida Statutes, Chapter 112, Part VI. Specifically, the following procedures will be followed in the conduct of an interrogation of an employee:

2.1 The employee under investigation shall have the right to be represented by counsel or any other representative of his choice who shall be present at all times during such interrogation.

2.3 The interrogation shall be conducted at a reasonable hour, preferably at a time when the bargaining unit employee is on duty. The interrogation shall take place at the Departmental headquarters or other established Departmental location.

2.4 The bargaining unit employee under investigation shall be informed of the rank, name, and command of the officer in charge of the investigation, the interrogating officer, and all persons present during the interrogation. All questions directed to the officer under interrogation shall be asked by and through one interrogator at any one time, unless specifically waived by the officer under investigation (F.S. 112.532,(1)(c)).

2.5 The bargaining unit employee under investigation shall be informed of the nature of the investigation prior to any interrogation, and he shall be informed of the names of all complainants.

2.6 Interrogating sessions shall be for reasonable periods and shall be timed to allow for such personal necessities and rest periods as are reasonably necessary.

2.7 The bargaining unit employee under interrogation shall not be subjected to offensive language or be threatened with transfer, dismissal, or disciplinary action. No promise or reward shall be made as an inducement to answer any questions.

2.8 The formal interrogation of a bargaining unit employee, including all recess periods, shall be recorded on audiotape, or otherwise preserved in such a manner as to allow a transcript to be prepared, and there shall be no unrecorded questions or statements. Upon the request of the interrogated bargaining unit employee, a copy of any such recording of the

interrogation session shall be made available to the interrogated bargaining unit employee no later than 72 hours, excluding holidays and weekends, following said interrogation.

2.9 If the bargaining unit employee under interrogation is under arrest, or is likely to be placed under arrest as a result of the interrogation, he shall be completely informed of all his rights prior to the commencement of the interrogation.

Section 3. No dismissal, demotion, transfer, reassignment, or other personnel action which might result in loss of pay or benefits, or which might otherwise be considered a punitive measure, shall be taken against any bargaining unit employee unless such bargaining unit employee is notified of the action and the reason or reasons therefore prior to the effective date of such action.

Section 4. No bargaining unit employee shall be discharged; disciplined; demoted; denied promotion, transfer, or reassignment; or otherwise discriminated against in regard to his employment or appointment, or be threatened with any such treatment, by reason of his exercise of the rights granted by the Law Enforcement Officers' Bill of Rights.

Section 5. To the extent required by applicable law, a complaint filed against a bargaining unit employee with the Department and all information pertained pursuant to the investigation by the Department of such complaint shall be confidential and exempt from the provisions of Section 119.07(1) until the investigation ceases to be active, or until the Chief or the Chief's designee provides written notice to the employee who is the subject of the complaint, either personally or by mail, that the Department has either:

- A. Concluded the investigation with a finding not to proceed with disciplinary action or to file charges; or
- B. Concluded the investigation with a finding to proceed with disciplinary action or to file charges.

The employee who is the subject of the complaint may review the complaint and all statements regardless of form made by the complainant and witnesses immediately prior to the beginning of the investigative interview. If a witness to a complaint is incarcerated in a correctional facility and may be under the supervision of, or have contact with, the employee under investigation, only the names and written statements of the complainant and non-incarcerated witnesses may be reviewed by the employee under investigation immediately prior to the beginning of the investigative interview.

Section 6. The findings of Internal Affairs Investigations shall be labeled as follows:

6.1 Sustained — a finding or a conclusion that an allegation is supported by a preponderance of evidence.

6.2 Unfounded — a finding or a conclusion that there is no credible evidence whatsoever to support the allegation.

6.3 Not sustained — a finding or a conclusion that sufficient credible evidence was lacking to prove or disprove the allegation.

6.4 Exonerated — a finding or a conclusion that the incident occurred, but the individual's actions were consistent with departmental policy.

Section 7. The definition of interrogation is as follows: "Interrogation" refers to a disciplinary investigation meeting with respect to an incident or complaint in which the information to be obtained at the investigation meeting will be the basis for the decision as to whether to issue a written reprimand, suspend, demote, or dismiss the employee. It does not include counseling sessions or investigations which may result in oral reprimands. It also does not include meetings at which the employee is solely being advised of intended disciplinary action and offered an opportunity to explain why he should not be disciplined.

Section 8. No bargaining unit employee shall be required or compelled to submit to any device/test designed to measure the truth of his response(s) to any question(s) asked during an internal investigation.

Section 9. A citizen making a complaint against an employee covered hereunder shall be requested to reduce such complaint to a signed writing and provide supporting documentation. If the citizen's complaint is verbal, the Department shall reduce it to writing.

Section 10. Only "sustained" findings which result in disciplinary action will be inserted in an employee's official personnel file. Unfounded, unsubstantiated, and exonerated findings shall be retained in Internal Affairs files by file number or by name of complainant in accordance with the record retention policies of the State of Florida.

Section 11. An employee shall have the right to inspect and make notes of his individual records, and no records will be hidden from the employee's inspection. One (1) copy of the final investigative report will, upon request, be provided to the subject employee at no cost.

Section 12. At the discretion of the Chief of Police, in consultation with the Associate Vice President of Human Resources, an employee charged with conduct of such a nature as to impede job performance or endanger the public may be suspended pending an investigation outcome. Suspension may be with or without pay until findings and charges, if any, are determined.

Section 13. All internal investigations must be completed and finalized in accordance with the Law Enforcement Officer's Bill of Rights.

II. Disciplinary Action

Section 14. The University and the PBA encourage to the fullest degree employee behavior which is positive and supportive of the goals of effective management and public safety. The parties recognize the need for progressive and appropriate discipline when an employee's conduct and job performance are inconsistent with those goals.

Section 15. Employees may be demoted, suspended, dismissed, or otherwise disciplined for just cause.

Section 16. Employees shall receive a copy of any disciplinary action at the time such disciplinary action takes place. A copy of any disciplinary action taken will be placed in the employee's personnel file housed in Human Resources.

Section 17. This article shall not restrict supervisors from issuing oral reprimands or letters of counseling. Oral reprimands and letters of counseling shall not be subject to the grievance procedure. Letters of counseling are non-disciplinary. Oral reprimands and letters of counseling will not be placed in the Human Resources personnel file.

Section 18. Grievability of Disciplinary Actions:

18.1 Written reprimands may be grieved only through Step 2 of the Grievance Procedure. After two years have elapsed from the date of the written reprimand, such reprimand will not be used for escalating the level of future disciplinary action.

18.2 Suspension, disciplinary demotion, and reduction in pay for disciplinary reasons may be grieved through Step 3 of the Grievance Procedure and on to Arbitration.

18.3 Dismissals may enter the Grievance Procedures at Step 2 for expediency and may be grieved through to Arbitration.

Section 19. Discipline Dispute Resolution Process (DDRP):

A DDRP affords an employee, who is subject of an administrative policy violation and/or investigation that may lead to disciplinary action and the Police Department an opportunity to internally mediate a mutually acceptable resolution prior to formal disciplinary processes.

19.1 The employee may request a Discipline Dispute Resolution Meeting (DDRM) at any time prior to a final receipt of discipline or prior to filing a formal grievance. The purpose of the meeting will be to discuss potential discipline and administrative charges in order to determine if a consensus resolution can be reached on the appropriate charges and discipline, if any.

19.2 The requesting employee shall complete a Request to Initiate a DDRP form (DDRP Request Form), which is located on the Police Department's intranet, and shall return the form to the Professional Standards Commander. The DDRP Request Form will be forwarded for review by the Chief of Police. The Chief of Police will notify the requesting employee of an approval or disapproval of the request in no later than seven (7) calendar days from date of receipt.

19.3 The Department shall set the time and date of the DDRM to be within ten (10) days of acceptance to proceed with the request. The meeting shall be held with the Deputy Chief, the requesting employee and the employee's supervisor, or an appropriate designee. The requesting employee is required to personally attend, but may be accompanied by an employee

representative during the proceeding, if so desired. Should the employee wish to include legal counsel, the employee must provide the Deputy Chief with seven (7) days advance notice. The university may include legal counsel at its option as well.

19.4 Should the parties reach a consensus, that consensus shall be reduced to writing by the Deputy Chief. In the event that a DDRM results in a disciplinary action being forthcoming, the Deputy Chief shall have the authority to approve up to one-hundred and twenty (120) hours of suspension. Suspension may be paid or unpaid at the Deputy Chief's discretion.

19.5 Discipline as result of a DDRM process in excess of one hundred and twenty (120) hours, demotions, or terminations will be forwarded to the Chief of Police for his approval in consultation with the Associate Vice President of Human Resources. The Chief's decision shall be forwarded to the Deputy Chief and the employee to effect the conclusion and signing of a final agreement. Upon mutual signing of the agreement, the resolution shall be implemented and the investigation and grievance process shall be considered complete.

19.6 Should an executed resolution agreement fail to be forthcoming from a DDRM effort, the matter will progress as if no meeting had been held. Nothing discussed at the DDRM shall be binding upon any party unless a final agreement has been signed by the employee and the Deputy Chief. Nothing discussed at the meeting shall be used against the employee or the university in the event a resolution fails to be implemented. The parties agree that should information discussed at the DDRM later be discovered independently, it may be used as long as the discovery is not a direct result of the Chief, Deputy Chief or designee/s disclosing the information by having such knowledge through the DDRM.

19.7 Should the PBA not be represented at the DDRM; or, if present and not in agreement with the employee on the level of discipline accepted and agreed upon, the PBA will not be held to the discipline accepted in any future cases. The PBA shall be notified of any final agreement in all cases handled through a Discipline Dispute Resolution Process.

Article 7

DUES DEDUCTION

Section 1. Any member of the PBA who has submitted a properly executed written dues authorization card or statement to the University may have his PBA dues deducted from his wages. Dues shall be deducted on a semi-monthly basis and shall, thereafter, be transmitted to the PBA or its designated depository. The University, however, shall have no responsibility or liability for the improper deduction of any dues. Further, the PBA shall hold the University harmless for any errors in the administration of the dues deduction system. It shall be the responsibility of the PBA to notify the University of any change in the amount of dues to be deducted at least 60 days in advance of said change. Under no circumstances shall the University be required to deduct PBA fines, penalties, or non-uniform assessments from the wages of any member.

Section 2. Any authorization for dues deduction may be cancelled by the employee upon written notice to the University with a copy to the PBA. The University shall implement the cancellation within two pay periods of receipt of the written notice.

Section 3. When an employee quits, is discharged, or is laid off, any unpaid dues owed to the PBA will be deducted from the employee's last paycheck.

Article 8

GRIEVANCE AND ARBITRATION

Section 1. Bargaining unit employees will follow all written and verbal orders given by superiors, even if such orders are alleged to be in conflict with this Agreement. Compliance with such orders will not prejudice the right to file a grievance within the time limits contained herein, nor shall compliance affect the ultimate resolution of the grievance.

Section 2. A “grievance” is a claimed violation of this Agreement, including, but not limited to, the claim that a discharge or other disciplinary action violated a specific provision of this Agreement. No grievance will, or need be, entertained or processed, unless presented in the manner described herein on the Grievance Forms listed in this Agreement as Exhibits A through C, and unless filed in a manner provided herein within the time limit prescribed herein. Grievances are limited to claims which are dependent for resolution upon interpretation or application of one or more express provisions of this Agreement. Discipline will not normally be increased above the level stated in the Predetermination Notice issued by Human Resources. However, should additional information or evidence become available during the review of the discipline, Human Resources will be required to issue a new Predetermination Notice should more severe discipline be proposed.

Section 3. Grievances will be processed in the following manner and strictly in accordance with the following stated time limits. Once a grievance is filed, only those acts or omissions and sections of the agreement identified at the initiation of the grievance may be considered at subsequent steps in the grievance process.

STEP ONE: The aggrieved employee shall present his grievance in writing to the Deputy Chief, or his designee, within ten (10) calendar days from the date following the act or omission giving rise to the grievance, or ten(10) calendar days from the date the grievant acquires knowledge, or could have reasonably been expected to have acquired knowledge of the act or omission which gave rise to the grievance on the prescribed grievance forms, which shall be standard forms used throughout the grievance procedure. Upon receipt of the grievance, the Deputy Chief or his designee shall forward a copy of the grievance to the Police Chief and the University’s Human Resources Executive Director. The Deputy Chief or his designee shall meet with the Grievant, his PBA representative (if any), and the supervisor(s) involved, and shall render his decision on the grievance in writing with copies to the Grievant, the Police Chief, the Human Resources Executive Director, and the PBA within fourteen (14) calendar days of such meeting.

STEP TWO: Any grievance which cannot be satisfactorily settled in STEP ONE above shall then be taken up with the Police Chief or

his designee. The grievant shall file the Step Two grievance with the Police Chief within ten (10) calendar days after the Deputy Chief or designee's response in STEP ONE above. At this step, the grievance must be signed by the employee and shall state: (a) the date of the alleged events which gave rise to the grievance; (b) the specific Article or Articles and Sections of this Agreement allegedly violated; (c) statement of fact pertaining to or giving rise to the alleged grievance; and (d) the specific relief requested. The Police Chief or his designee shall conduct a fact-finding meeting with the Grievant, his PBA representative (if any), and the Deputy Chief or his designee. Thereafter, the Police Chief, or his designee, shall issue his decision in writing on the grievance, with copies to the Grievant, the Human Resources Executive Director, and the PBA within fourteen (14) calendar days after presentation of the grievance at the fact-finding meeting.

STEP THREE: Any grievance which cannot be satisfactorily settled in STEP TWO above shall then be taken up with the Human Resources Executive Director, or his designee. The grievance, as specified in writing in STEP ONE above, shall be filed with the Human Resources Executive Director, or his designee, within ten (10) calendar days after the date of the Police Chief's response in STEP TWO above. The Human Resources Executive Director, or his designee, will conduct a meeting with the Grievant, his PBA representative and appropriate Department management. Thereafter, the Human Resources Executive Director, or his designee, shall issue his decision in writing on the grievance, with copies to the Grievant, the PBA, and the Department within fourteen (14) calendar days after the presentation of the grievance at this Step.

Management decisions which deny written grievances, in whole or in part, must contain the reasons for the denial.

Section 4. Arbitration is the final step of the UCF due process procedures available to a grievant. If the Grievant is not satisfied with the decision of the Human Resources Executive Director, or his designee, in STEP THREE above, PBA may submit written notice of Arbitration by hand delivery, or by certified or registered mail, to the Human Resources Executive Director postmarked within twenty-one (21) calendar days of receipt of the Human Resources Executive Director's written decision at the conclusion of Step Three. Said written notice of arbitration shall include a written statement of the position of the Grievant with respect to the issues upon which arbitration is being sought. Under no circumstances shall the issues to be arbitrated be expanded from the issues set forth in the grievance filed at the initial entry step of the grievance procedure.

Section 5. Selection of Arbitrator

5.1 The parties agree to use Federal Mediation and Conciliation Service (FMCS) for purposes of identifying an arbitration panel for the grievance. The parties seeking have seven (7) calendar days from submission of the notice of arbitration to make a request to FMCS for selection of an arbitration panel. The other party will be notified in writing what date that the request has been made to FMCS.

5.2 The parties agree that FMCS shall be asked to provide a list of no more than five (5) eligible arbitrators for the matter. To be eligible to serve as an arbitrator for the matter, the individual must be registered with FMCS and must have or use a Florida address from which to bill for travel and travel expenses. The parties agree that FMCS shall first use a Metropolitan designation for identifying an arbitration panel and, only if that panel is rejected by the parties, FMCS shall second use a Sub-Regional designation for identifying an arbitration panel.

5.3 As an alternative to requesting a panel or as an alternative to the panel provided by FMCS, the parties may agree independently to the selection of an arbitrator and request a direct appointment of that arbitrator by FMCS.

5.4 If the parties request a panel from FMCS, the parties shall confer regarding the selection of an arbitrator. Either party may reject the panel in which case the parties may request a second panel from FMCS. The other party may reject the second panel, in which case a third panel may be requested from FMCS. Once there is a panel that is not rejected, then the parties will select an arbitrator from the panel by alternately striking from the panel until one name remains. The party to strike first shall be determined by the flip of a U.S. quarter.

Section 6. As promptly as possible after the arbitrator has been selected, he shall conduct a hearing between the parties and consider the grievance. The decision of the arbitrator will be served upon the individual employee or employees involved, the University, and the Union in writing. The expenses of the arbitration, including the fee and the expenses of the arbitrator, shall be shared equally by the parties. Any party desiring a transcript of the hearing shall bear the cost of its transcript unless both parties mutually agree to share the cost. Each party shall bear the expense of its own witnesses and of its own representatives for purposes of the arbitration hearing.

Section 7. The arbitrator will confine his consideration and determination to the written grievance presented in its initial step of entry of the grievance procedure. The arbitrator shall have no authority to substitute his judgment for that of management and/or to change, amend, add to, subtract from, or otherwise alter or supplement this Agreement or any part thereof or amendment thereto. The arbitrator shall have no authority to consider or rule upon any matter which is stated in this Agreement not subject to arbitration or which is not a grievance as defined in this Agreement; nor shall this Collective Bargaining Agreement be construed by arbitrator to supersede applicable state and federal laws or regulations.

Section 8. The arbitrator may not issue declaratory opinions and shall confine himself exclusively to the question which is presented to him, which question must be actual and existing. The issue before the arbitrator shall be whether a specific provision of this Agreement was violated. Either party shall be entitled to seek review of the arbitrator's decision in the Circuit Court.

Section 9. No decision of any arbitrator or of the University in one case shall create a basis for retroactive adjustment in any other cases. All claims for back wages shall be limited to the amount of straight time (i.e., no overtime) wages of the particular employee involved, less any unemployment compensation that he received during the period involved. Additionally, in calculating any back wages award, the arbitrator shall consider whether the employee met his duty to mitigate losses during the period involved.

Section 10. It is agreed, with respect to the above wages or retroactive adjustment, that no arbitrator shall have the right to determine that back wages or other retroactive adjustment shall be awarded for a period in excess of one (1) month prior to the date of filing the grievance which is being ruled upon.

Section 11. It is agreed, with respect to this grievance and arbitration procedure, that:

11.1 It is the intent of the parties that a grievance must be raised at the earliest possible time. Any grievance, in order to be entertained and processed, must be submitted in a timely manner by the Grievant.

11.2 Grievances not submitted by the Grievant in a timely manner shall be conclusively barred on the merits following the expiration of the prescribed time limit. Such a time-barred grievance may not be entertained or processed, and only facts disputed as to timing for deadline purposes by either the grievant or by the university management will be the subject of any arbitration resulting from the matter. A grievance that is not subject to failure in timely response by either party shall permit the Grievant to proceed to the next Step, and failure of the Grievant to proceed on a timely basis to each successive next Step shall bar the grievance.

11.3 If any deadline falls on a Saturday or Sunday, University holiday, or other time during which the University is closed for regular business the action subject to the deadline will be deemed timely, if accomplished by close of business the next business day.

11.4 The parties may mutually agree in writing to extend any deadline under the Grievance/Arbitration procedure.

Section 12. Nothing in this Article shall be construed to prevent any employee from presenting his own grievance with whomever he wants to represent him. It is understood that either an individual, an attorney, or the Union may represent a Grievant, but under no circumstances shall more than one person represent the Grievant at any step of the grievance procedure. In the event the University is notified that the Grievant is representing himself or is otherwise not being represented by the Union, the University shall so notify the Union. The Union may monitor and attend such grievance steps on personal or leave time but may not participate otherwise.

Section 13. Where a grievance is general in nature in that it applies to a group of employees rather than a single employee, or if the grievance is directly between the Union and the Department or the University, such grievance shall be presented in writing directly to the Police Chief within ten (10) calendar days of the occurrence of the event or events that gave rise to the

grievance, or the date on which the filing party or parties knew, or reasonably should have known, of the event, if that date is later. The grievance shall be signed by one or more aggrieved employee, or by the PBA on their behalf. Thereafter, the grievance shall be processed in accordance with the procedures set forth in STEPS TWO and THREE above; provided, however, that the grievance must contain the detailed information required in STEP ONE above.

Section 14. A non-dues-paying bargaining unit employee may avail himself of all procedures under this Article. In so doing, such non-dues-paying bargaining unit employee shall be required to bear the full cost of preparing and presenting his own case and his arbitration expenses as set forth in Section 6 above.

Section 15. This grievance and arbitration procedure shall be the sole and exclusive procedure for any bargaining unit employee to contest discharge or other disciplinary action or any alleged violation of this Agreement.

Section 16. The parties may mutually agree to waive Steps 1 and 2 of the grievance procedure in order to expedite the processing of a grievance.

Article 9

LABOR-MANAGEMENT NON-BARGAINING COMMITTEES

Section 1. Labor-Management Committee. There shall be a Labor-Management Committee which shall consist of six (6) members. Three (3) members shall be designated in writing by the PBA. Three (3) members shall be designated by the University: one (1) representative from the Police Department management ranks, one (1) from Human Resources, and one (1) mutually agreed upon by the Chief of Police and the Associate Vice President for Human Resources. Membership on this committee shall preclude any member from serving on Collective Bargaining Teams.

Section 2. The Labor-Management Committee may meet on a quarterly basis (e.g., January-March, April-June, etc). If either Labor or Management makes a request for the Committee to meet, then it shall meet in the quarter of that request or as soon thereafter as possible. If neither party requests a Labor-Management Committee meeting for a given calendar quarter the meeting for that quarter shall be deemed waived.

Section 3. The sole function of the Labor-Management Committee shall be to discuss general matters pertaining to employee relations and Departmental operations. The Committee shall not engage in collective bargaining or resolution of grievances. The proceedings of the Committee shall be informal in nature. However, the members may mutually agree to issue a joint, written summary of a particular item discussed.

Section 4. The University will cooperate with the PBA to schedule the Labor-Management Committee meetings at times when the three (3) members designated by the PBA are off duty. In no event shall Labor-Management Committee meetings result in compensation for bargaining unit employees. However, upon the approval of the Police Chief, an employee designated to attend the Labor-Management Committee meeting on behalf of the PBA may be permitted to adjust their work schedules to accommodate Committee meeting dates and times in order to retain their full-time work hours for the next pay period without use of personal leave. Under no circumstances will the Police Chief approve schedule adjustments for attendance at meetings where he determines that such approval would result in additional costs to the department or the reduction of on-duty staff to an unacceptable level.

Section 5. Bargaining Agreement Administration Committee. Upon a request and mutual agreement of either the PBA and the University, there shall be a consultative meeting between the Vice President of Administration and Finance (or his designee) and up to two (2) additional members of his management staff and up to three (3) local PBA representatives, to discuss matters pertinent to the administration of this Agreement. The party requesting consultation shall submit a written list of items to be discussed no later than two (2) weeks in advance of the meeting. The other party shall also submit a written list of items in advance of the meeting if it wishes to discuss additional issues. The parties agree that such consultations may be used to resolve problems or engage in discussions regarding the administration of the Agreement; provided, however, that such meetings shall not constitute or be used for the purpose of collective bargaining. Attendance at a consultation meeting outside of regular working hours shall not be

deemed time worked. Under no circumstances will the Police Chief approve schedule adjustments for attendance at meetings where he determines that such approval would result in additional costs to the department or the reduction of on-duty staff to an unacceptable level.

Article 10

ASSIGNED DUTIES

Section 1. Assigned Duties

Employees shall be required to perform the duties set forth in their classification specifications descriptions and Departmental policies and such other duties as are related to public safety at the University.

Section 2. Acting Ranks

An employee who is designated by written order of the Police Chief, or his designee, to temporarily serve in a higher rank shall receive an increase in pay for the time period of such service in accordance with University policy, which is the minimum of the range or ten (10) percent base salary increase, whichever is greater. The University policy is outlined in greater detail on the Human Resources website.

Section 3. Review of Acting Rank Status

An employee who claims that he has been regularly performing all of the duties of a position in a higher classification (i.e., Sergeant) but has not been credited with temporary service in such higher classification, may request the Human Resources Director to review his claim. Such review must be requested within fourteen (14) calendar days of the date for which the employee is claiming credit for temporary service in a higher classification.

Section 4. Investigations Unit

Any police officer with a minimum of two (2) consecutive years of employment in the Department; or three (3) years of recent sworn officer experience, with a least one (1) year as an investigator; or five (5) years of recent sworn officer experience, with another law enforcement agency, and not on probation with the UCFPD immediately prior to the assignment shall be eligible for the investigations assignment. The number of Investigators assigned and the length of their assignments shall be within the exclusive discretion of the Chief.

Article 11

HEALTH AND SAFETY AND PHYSICAL FITNESS

Section 1. The University shall comply with all federal and state health and safety laws and regulations which apply to the work performed by the bargaining unit employees covered hereunder. The University and the PBA agree to work cooperatively toward reducing job-related injuries and workers' compensation costs.

Section 2. The University and the PBA agree that employees covered hereunder must maintain a satisfactory level of physical fitness in order to safely and efficiently perform their assigned duties and serve and protect the citizens and the members of the University community.

Section 3. Employee Health and Safety

3.1 The University requires employees to use or wear health and safety equipment, which shall be provided by the University.

3.1.1 The University agrees to provide individually fitted body armor to all sworn members.

3.1.2 All body armor issued must comply with protective and related requirements prescribed under current standards of the National Institute of Justice.

3.1.3 Body armor that is worn, damaged or expired shall be replaced by the University. Body armor that must be replaced due to misuse or abuse by the officer shall be paid for by the officer.

3.1.4 Officers shall wear only University-approved body armor.

3.1.5 Officers who are assigned to a uniformed function are required to wear body armor while engaged in field activities both on-duty and during off-duty employment, unless exempt as follows:

(a) When a physician determines that an officer has a medical condition that would preclude wearing body armor;

(b) When the department determines that circumstances make it inappropriate to mandate wearing body armor.

3.1.6 Non-uniformed sworn officers are required to wear body armor when responding to incidents where they may come into contact with suspects or where violence may take place.

3.2 When an employee believes an unsafe or unhealthy working condition exists, the employee shall immediately report the condition to his non-bargaining unit supervisor. The University and/or the Department shall investigate the employee's report and take whatever action is required under applicable health and safety laws or regulations.

Section 4. Each bargaining unit employee shall be required to successfully complete the Physical Abilities (Fitness) Test established by the Division of Criminal Justice Standards Training of the Florida Department of Law Enforcement. The physical abilities test measures specific physical abilities through participation in a series of job-related tasks as follows:

- (a) Exiting car/enter trunk.
- (b) 220 yard run.
- (c) Obstacle course.
- (d) Dummy drag.
- (e) Obstacle course (repeat).
- (f) 220 yard run (repeat).
- (g) Weapon fire (dry).
- (h) Enter trunk/enter car.

The test is intended to be conducted in a continuous fashion resulting in a total composite score (i.e., time to complete the course). The test will be administered on a pass/fail basis. The highest passing time an applicant may achieve on the physical abilities test is 6:30 seconds. (Applicants scoring above 6:30 seconds fail the test.) The parties agree that if the FDLE authorizes any alternatives to the activities listed in this section (a) thru (h), the parties shall consult regarding such changes.

Section 5. Each bargaining unit employee shall be required to take the physical abilities test on an annual basis at a time designated by the Department within the period from November 15 through April 15.

Section 6. The bargaining unit employee who achieves the best score in the following age categories on the testing date shall receive a "Well Qualified" physical fitness pin for those outstanding performers.

- Unit members who are not older than age twenty-nine (29)
- Unit members who are at least age thirty (30) and not older than thirty-nine (39)
- Unit members who are at least age forty (40) and not older than forty-nine (49)
- Unit members who are at least age fifty (50)

Such awards shall be returned by unit members prior to the next annual awards ceremony.

Section 7. No employee will be eligible for any wage increase without having passed a physical abilities test at least once in a two-year period prior to the date the raise is to be awarded. If an employee is unable to medically perform the physical abilities test and the University has granted a medical waiver, such employee shall be required to take the test within thirty (30) days of release from the medical waiver. If an employee is on a pre-approved leave of absence and is unable to take the physical abilities test on the assigned date, such employee shall be assigned and required to take the test within thirty (30) calendar days of returning to duty.

Section 8. An employee who has a bona fide medical condition or injury which prevents taking the physical abilities test (or a portion thereof) will be dealt with on an individual

basis. In all such cases, the University Physician will determine the nature and extent of the employee's medical condition or injury; whether the test should be postponed pending resolution of the employee's medical condition or injury (if such medical condition or injury is temporary); whether the test may be modified so as to accommodate the employee's medical condition while still measuring the same physical abilities; and such other medically-related issues which facilitate proper measurement of the physical abilities necessary to successfully perform the employee's job.

Section 9. The University, at its discretion, may send any employee covered hereunder for a medical and/or psychological examination where there is a reason to believe that he is unfit for duty. Such examinations shall be conducted at no cost to the employee and shall be administered while the employee is on duty or is otherwise in paid status.

Section 10. In the event the examination set forth in section 7 and/or section 8 above determines the need for additional tests or information, the University will bear the cost associated with such additional tests, if so ordered, including the opinion(s) of additional physicians and/or psychologists.

Section 11. Nothing in this Article will prevent the employee from obtaining their own medical and/or psychological examination at the employee's expense to be utilized in the grievance procedure.

Article 12

PERFORMANCE EVALUATIONS

Section 1. Performance Evaluations

1.1 Where an employee who has attained regular status in the class does not meet performance standards, the University shall develop a Performance Improvement Plan intended to correct performance deficiencies. A Performance Improvement Plan will be prepared by the supervisor with the assistance of Human Resources if needed. The plan will outline performance improvements that need to be made in order to achieve an “Effective” or above rating. This plan will be shared with the employee.

1.2 Such employee shall be granted, upon written request, an opportunity to discuss with an administrator at the next higher level concerns regarding the evaluation which rates the employee as not meeting performance standards. If that meeting does not resolve the employee’s concerns, the employee shall be granted, upon written request, a performance evaluation review conference with the Police Chief. The purpose of these reviews is to ensure that the performance evaluation leading to the requirement of a Performance Improvement Plan was not done in an arbitrary and capricious manner.

1.3 Once a Performance Improvement Plan is implemented, the employee shall have at least ninety (90) days to show adequate improvement in performance. If, at the end of the evaluation period, the Chief determines that the employee has not achieved adequate improvement in performance, the employee may be demoted from his current job class or terminated from service.

1.4 The University shall consult with the PBA prior to changing the current performance evaluation system.

Section 2. Grievability

A grievance may be filed by an employee who is terminated or demoted for deficiencies in accordance with the Department’s Performance Improvement Plan. To successfully contest his termination or demotion for failure to correct his performance deficiencies in accordance with the Department’s performance plan, the employee must establish that the action taken by the Department was in no way supported by competent evidence. The grievance and arbitration procedure (Article 8) shall be the sole and exclusive procedure for contesting termination or demotion hereunder.

Article 13

WORKDAY, WORK PERIOD, AND OVERTIME

Section 1. Work Period

1.1 The parties agree to utilize a fourteen (14) consecutive day work period for all bargaining unit employees.

1.2 The parties agree to operate under 29 U.S.C. §207(k) of the Fair Labor Standards Act in order to establish employees' overtime compensation. When an employee works more than eighty (80) hours in a fourteen (14) consecutive day work period, the employee shall receive overtime compensation. Overtime compensation shall be by cash payment, unless the Chief specifically authorizes (in writing) such overtime compensation by payment of compensatory time.

1.3 Overtime shall be scheduled in accordance with Departmental Policies and Procedures and administered in accordance with the provisions of this Article. Employees shall be required to work overtime when ordered.

1.4 Under no circumstances shall sick leave, vacation leave, or any other time not actually worked count as "time worked" or "hours worked" for purposes of calculating entitlement to overtime compensation.

1.5 This paragraph relates to an employee's ongoing, regular workweek, work hours, or days off. An employee will be given ten (10) calendar days' notice of a change in the employee's workweek, work hours, or days off, except in an emergency or to meet unforeseen law enforcement needs. Special duty and overtime assignments do not change an employee's regular workweek, work hours, or days off and therefore are not covered by this paragraph.

1.6 An employee who rotates to a different shift (based on a Department-wide shift rotation or a change in an individual's shift) shall receive a minimum of twelve (12) hours off between the end of the current shift assignment and the beginning of the new shift assignment, except in an emergency or where staffing does not permit.

1.7 The Department will not mandate overtime for special events at the Arena or Stadium, UNLESS the Department gives the unit member at least three (3) calendar days' notice of the special event assignment or there is an unforeseen law enforcement need. An employee who has volunteered for a special event and then must call in sick, shall normally contact the Department at least four hours in advance of the special event report time, utilizing standard procedures. If an employee who is scheduled to work a special event, calls in sick prior to the event utilizing standard procedures, the Department shall be responsible to find a replacement, if any.

Section 2. Workday

2.1 For the purpose of this Agreement, workday shall mean the time during which an employee is on scheduled duty. A regular workday shall be twelve (12) hours for officers assigned to Patrol, and eight (8) hours or ten (10) for all other bargaining unit employees. It is understood that officers assigned to Patrol will work six (6) twelve (12) hour workdays and one (1) eight (8) hour workday in a work period.

2.2 Subject to work requirements, each employee shall be entitled to a paid meal period of thirty (30) minutes during his regular workday. Subject to work requirements, employees shall be allowed a fifteen (15) minute rest period during the first half of the workday and a fifteen (15) minute rest period during the second half of the work day.

Section 3. Compensatory Time

3.1 An employee may accumulate up to 80 hours of overtime compensatory time.

3.3 An employee may elect to sell back up to four forty (40) hour increments of special compensatory time, overtime compensatory time or vacation time annually if the Chief (Director) agrees to such "sell back." (The time of any such "sell back" must be approved by the Chief.) Each forty (40) hour increment must be from only one type of balance (special compensatory time, overtime compensatory time or vacation). This section defines the annual time period as the calendar year and the controlling factor shall be the date of payment.

Section 4. Compensation for Special Duty

4.1 When an employee works an event for which the department is reimbursed at a premium rate of pay, and such event is outside the employee's regularly scheduled work period, and a holiday(s) occurs or the employee uses sick leave, annual leave, or administrative leave in that work period, such employee will receive premium (time and one-half) pay for hours worked at that event. K-9 officers shall receive a minimum of forty-five dollars (\$45.00) per hour, or the premium time, whichever is greater, for all time worked on the special duty assignment while working the event with his K-9.

4.2 An employee reporting to a special duty event shall be guaranteed two (2) hours of pay if an event is canceled or concluded prior to the end of the two hour period covered by the guaranteed pay provision. An employee's failure to adhere to the Department's procedures for determining the status of the event prior to reporting to such duty will cause the employee to lose eligibility for the guaranteed two (2) hours. If, after the employee reports to work, the event is canceled or concluded prior to the end of the guaranteed two (2) hours, management may assign other law enforcement duties within the scope of the employee's position description during the guaranteed two (2) hour period. This two (2) hour guarantee applies to each continuous period of special duty, even if occurring during the same event. (For purposes of example only, this means that if an employee reports for special duty for a period of time and then is asked to report back three hours later for additional special duty, the employee will receive the two (2) hour guarantee for both periods of special duty for a total of four (4) hours or the actual hours worked, whichever is greater.)

Section 5. Patrol Shift Selection (Bids)

5.1 Patrol shift selection shall be conducted once a year. The employees shall select posted shifts and slots by seniority; except that up to one employee on each patrol shift may be assigned by the Department without regard to seniority. The Department will honor selections unless it is unable to fill a designated slot with a qualified employee or in order to staff the positions on each patrol shift without regard to seniority. In such case where there is not a qualified person who bid to fill a slot, the Department shall have the right to fill the vacant slot(s) with the most qualified employee. Agency Seniority, as used in this section, is defined as the time accruing to bargaining unit employees through continuous sworn full-time service while employed by the University. In the event that two or more personnel have the same Rank Seniority which is the same date of promotion to the rank, the employee with the most Rank Seniority held in the next lower rank shall have preference. Agency Seniority shall have preference if all Rank Seniority is equal. Agency Seniority shall start from the day an employee is hired to perform law enforcement services (sworn hire date) and shall not accrue while an employee is attending a law enforcement academy in order to be State certified as a Law Enforcement Officer.

5.2 With respect to employees assigned without regard to seniority in accordance with Section 5A above, no employee shall be so assigned more than once every three years.

5.3 With respect to employees assigned without regard to seniority in accordance with Section 5A above, any such assignment shall be for the duration of the posted shift cycle.

With respect to employees assigned without regard to seniority in accordance with Section 5.1 above, employees shall be given a written reason(s) as to the assignment.

Section 6. Shift Differential

6.1 A payment of shift differential for unit members who work patrol shifts other than the regular day shift will be set to meet the needs of the university.

6.2 Patrol unit members will be paid a shift differential salary additive for the entire shift when regularly assigned to work an evening or night shift of \$1.00 per hour where the majority of hours fall between 6:00 p.m. and 6:00 a.m.

6.3 The shift differential additive is included in the calculation of the employee's regular rate of pay for purposes of computing overtime pay.

6.4 Employees who select a shift or are assigned a shift according to the semi-annual shift selection process are eligible to receive a shift differential additive. Exceptions to this section may be approved by the chief for new hires and if an assignment is made between shift selection processes for a period of at least six pay periods.

Article 14

BENEFITS AND AWARDS

Section 1. State Employee Health Insurance Program. The University and the PBA support legislation to provide adequate and affordable health care insurance to all state employees. If the University provides its own health insurance program, the employees covered hereunder will receive the same health insurance program, including benefit and premium schedules as is applicable to other non-faculty University employees.

Section 2. Death in the Line of Duty Benefits. Funeral and burial expenses, education benefits, and the State Employees Group Health Self-Insurance Plan premium for the employee's surviving spouse and children will be provided in accordance with applicable Florida Statutes. The surviving spouse and family shall be directly assisted by the University Police Department and the office of Human Resources in obtaining all applicable survivor's benefits.

Section 3. Retired Employees

3.1 Employees who have retired under the Florida Retirement System with the University shall be eligible, upon request, to receive on the same basis as other employees all benefits applicable to retirees under University policy.

3.2 Under normal retirement (i.e., as defined by the Florida Retirement System with the University Police Department or 25 years of service with the University Police Department) in good standing, including disability retirement, an employee shall be presented one complete uniform, including the badge worn by him, and an identification card clearly marked "RETIRED" consistent with the provisions of §112.193, Florida Statutes and an identification card and badge reflecting a one "military grade" honorary promotion. The employee shall be presented his firearm (if one has been issued as part of the employee's equipment); provided that the employee shall simultaneously execute a document transferring the ownership of any such firearm from the University to the employee and releasing the University from any liability for the subsequent use of such firearm.

Section 4. Tuition Waiver Program. The University is encouraged to accommodate employees seeking to take courses under the tuition-waiver course program referenced in UCF Employment Policies and Rules.

Section 5. Award Program. The University agrees to promote a program of recognition awards for employees which shall include:

- 5.1 Upon promotion, a framed certificate certifying the promotion;
- 5.2 Awards for bravery and outstanding service;

5.3 Service awards through the use of framed certificates, patches, or pins recognizing years of service with the University, specifically recognizing five (5), ten (10), fifteen (15), twenty (20), and twenty-five (25) years of service.

Article 15

TRAINING OPPORTUNITIES

Law Enforcement Training: The University and the PBA recognize the importance of training programs to develop skills in law enforcement officers and supervisors. The University will make reasonable efforts to continue existing training programs in law enforcement techniques and to develop new programs and to ensure that opportunities to attend law enforcement and salary incentive training programs are equitably distributed among employees.

Article 16

CHANGE IN ASSIGNMENT

An employee with regular status in his current classification who meets all of the Department's eligibility requirements may apply for a change in assignment to a different position in the same classification or a different classification having the same pay range maximum, a different work unit, or a different shift. Prior to filling a vacancy, the University shall consider pending requests for changes in assignment; provided, however, that nothing contained in this Agreement shall be construed to prevent the Chief, at his discretion, from filling a vacancy or changing an assignment in accordance with his determination of the needs of the Department.

Article 17

PROCEEDINGS AND CALL-BACK

Section 1. Court Appearances. If an employee is subpoenaed or required to appear as a witness in a job-related legal proceeding, not during the employee's regularly assigned shift, the employee shall have the option to either accept the witness fee or be granted a minimum of two and one-half hours (2½) which shall be counted as hours worked. Should the proceeding be more than two and one-half hours (2 ½) hours in duration, the employee shall be paid for all time required to be present in the proceeding and the time shall be counted as hours worked.

Section 2. Administrative Proceedings (including Student Conduct). Off-duty employees who are appearing by phone to a job-related issue in an administrative proceeding conducted by the University (including Student Conduct Proceedings) shall be paid for all off-duty time accumulated beyond fifteen (15) minutes, including reasonable and reported time spent preparing for the appearance. The employee is responsible for accounting for this time accurately on their time sheet or other time record.

Section 3. Call-Back. If an employee is called back to perform work beyond the employee's scheduled hours for that day, including an in-person appearance for a student conduct proceeding, the employee shall be credited with the greater of the actual time worked or two (2) hours.

Section 4. On-Call Assignment. "On-call" assignment shall be defined as any time when appropriate UCF management has specifically instructed the employee in advance, in writing, to remain available to work during an off-duty period. Only employees employed in the specialty units shall be assigned "on-call" status. An employee who is so instructed shall be required to leave word where the employee may be reached by telephone or by other electronic signal device in order to be available to return to a work location on short notice to perform assigned duties. While on call the employee shall maintain the appropriate physical condition for the performance of law enforcement duties. An "on-call" status employee who is required to be on-call Monday through Friday shall be compensated by payment of a fee in an amount of one dollar (\$1.00) per hour for each hour such employee is required to be on-call. An employee who is required to be on-call on a Saturday, Sunday, or University recognized holiday will be compensated by payment of a fee in an amount equal to one-quarter (1/4) the base rate for the classification of the employee for each hour such employee is required to be available. Such additional "on-call" compensation shall remain in effect only so long as the employee is serving in the specialty unit and is performing the required "on-call" assignments.

Article 18

LAY-OFFS

Section 1. In the event of a lay-off, the University shall implement lay-off in accordance with university regulation UCF-3.0123. The parties agree that should layoffs of unit employees become necessary, UCF shall provide advanced written notice to the Union and promptly set a consultation meeting with the Union prior to layoff notices being issued to employees. The university will consider Union recommendations and concerns received prior to formal layoff notification.

Section 2. At the time of layoff notification, no employee with regular (non-probationary) status within an affected classification shall receive such notice while an employee on probationary status is serving in that classification.

Section 3. Employees in lay-off status will retain recall rights for eighteen (18) months from the date of lay-off and shall have preference over applicants on eligibility lists during such eighteen (18) month period. Such preference shall apply to the laid off employee's most recently held classification or a lower ranked classification. Recall will be made by certified mail to the last address in the employee's personnel records with a copy by regular mail to the Union. The employee must within seven (7) days of the certified receipt date, or in the case of the letter being returned as undelivered, the date of last attempted delivery noted by the US Postal Service, signify his intention to return to work, in writing, to the Office of Human Resources. Failure of the employee to provide timely notice hereunder shall result in forfeiture of recall rights.

Article 19

PENSION

Pension will be as required by the State of Florida. Bargaining unit members may participate in the retirement options available through the Florida Retirement System, subject to eligibility and participation requirements established by the Florida Retirement System.

Article 20

PROBATIONARY PERIODS AND PROMOTIONS

Section 1. Probationary Periods:

1.1 Each Law Enforcement Officer serves a probationary period of at least one year, which must include at least seven (7) months of active service following successful completion of FTO.

1.2 Law Enforcement Corporals and Sergeants serve a one-year probationary period that begins on the date of appointment.

1.3 Police officers serving their initial (entry) probationary period shall not be permitted to utilize the contractual grievance/arbitration procedure to contest discharge or other disciplinary action taken during probationary periods.

1.4 Bargaining unit employees serving a promotional probationary period shall be permitted to utilize the contractual grievance procedure for all purposes; except that a grievance challenging removal from the promotional position prior to the conclusion of the promotional probationary period shall be limited to Step 3 of the grievance procedure.

Section 2. Promotional Examinations. The filling of vacant positions should be used to provide career mobility for employees and should be based on the relative merit and fitness of the applicants. The University shall fill a vacant position with the qualified list of candidates passing the written test, who, in its judgment, is most qualified to perform the duties as described in the class specification, and position description. Unit members promoted to the ranks of corporal or sergeant shall receive the minimum salary range for that position or a ten percent (10%) increase in base salary, whichever is greater.

2.1 A written exam will be required of all employees who wish to be considered for a promotion and meet the minimum requirements as stipulated in Sections 2.13 and 2.14. Written exams will be based upon a job task analysis of the class of positions being tested and an assessment of the knowledge, skills, and abilities necessary to perform the requirements of the classes. The passing score that must be obtained will be seventy-five percent (75%).

2.2 An employee must submit a request to take a promotional exam to the UCF Police Department Human Resources liaison no later than the first business day after January 1 of each calendar year. Such request shall indicate the class(es) to which the employee would like to be promoted.

2.3 Employees will be notified in writing of their eligibility or ineligibility for the promotional examinations for which they have submitted a request. Sergeant and corporal promotional exams shall be given on even numbered years. Police Officer First Class promotional examinations shall be given on odd numbered years.

2.4 The Exam Administrator is to notify the University Human Resources Office and the Chief no later than January 15 of each calendar year, regarding: the date(s) of the exam; the place where the exam will be administered; the major categories to be covered by the exam; and the bibliography of courses from which exam questions have been taken (e.g., name of textbooks, departmental policies, general orders, special orders, etc.).

2.5 No later than February 1st of each calendar year, the University shall furnish to those eligible employees whose exam requests are on file in the University, a copy of the "NOTICE OF PROMOTIONAL EXAM" issued by the Exam Administrator. Only those employees whose names are furnished to the Exam Administrator will be eligible to take the promotional exam.

2.6 The Exam Administrator will notify each employee who takes a promotional exam of the exam results. The exam results shall also be provided to the Chief.

2.7 Placement on the appropriate promotional list will be based on passing the written examination.

2.8 The University promotional list shall be effective July 1st of each calendar year the exam is administered. Names shall be retained on the promotional list for a period of two (2) years.

2.9 The University's promotional list, consisting of the name, final passing score, and position on the appropriate list, shall be posted.

2.10 Eligibility to Take Promotional Examination(s).

(a) Corporal Exam. Any certified police officer who has immediately prior to the promotion examination - (i) a minimum of two (2) consecutive years of employment in the Department as a certified law enforcement officer; or (ii) a minimum of one consecutive year in the Department as a certified law enforcement officer plus a minimum of two consecutive years of certified law enforcement experience in another law enforcement agency - shall be eligible to take the promotional examination for Corporal if he otherwise meets all of the qualifications for the promotion. Any combination of experience may be used, so long as there is one year of certified law enforcement officer experience in the Department.

(b) Sergeant Exam. Any certified police officer who has immediately prior to the promotion examination - (i) a minimum of three (3) consecutive years of employment in the Department as a certified law enforcement officer; or (ii) a minimum of one consecutive year in the Department as a certified law enforcement officer plus a minimum of four consecutive years of other certified law enforcement officer experience - shall be eligible to take the promotional examination for Sergeant if he otherwise meets all of the qualifications for the promotion. Any combination of experience identified above may be used, so long as there is one year of certified law enforcement officer experience in the Department.

Section 3. Promotion Eligibility and Promotions.

3.1 Definition. For purposes of this article, the terms certified or certification shall refer to the official date of law enforcement certification as determined by the Florida Department of Law Enforcement.

3.2 Successful completion of the probationary period in the rank of Corporal shall be a prerequisite for promotion to Sergeant. If a law enforcement officer takes both the Corporal and Sergeant promotional examinations in the same test administration, and passes both examinations, the officer will not be eligible for promotion to Sergeant until after completing the probationary period in the position of Corporal. Therefore, a law enforcement officer taking and passing both the Corporal and Sergeant promotion examinations will be placed on both lists, but is not eligible for promotion to Sergeant until successfully completing the probationary period in the rank of Corporal.

3.3 No employee shall be eligible for promotion, regardless of performance on the promotional examination, unless the employee has been ranked overall "Satisfactory" or higher on his last two (2) Performance Evaluations. No employee shall be eligible for promotion, regardless of performance on the promotional examination, if he has received formal disciplinary action above the level of written reprimand for an incident occurring within twelve (12) months prior to the actual appointment (promotion).

3.4 If the University uses oral interviews, at least one (1) of the interviewers must be from an outside law enforcement agency. The local PBA representative will be provided the names of the individuals to serve on the interview committee. Questions asked at the oral interview will be limited to those that are clearly job related and the same questions will be asked of all applicants.

3.5 Except where a vacancy is filled by demoting a law enforcement employee or by reassignment, the only employees who may be considered for a vacancy shall be those having passed the written promotional exam and who are actively on the University's promotional list. All qualified employees shall be interviewed in such case. This provision does not change the requirement that a candidate for promotion to Sergeant must have successfully completed the probationary period in the rank of Corporal prior to consideration for promotion to Sergeant.

3.6 Employees who do not receive a promotion for which they applied will retain their position on the promotional list. When an employee declines a promotional job offer, the employee shall not be considered for promotion again for the duration of that list.

Section 4. Police Officer First Class Program.

4.1 Those officers meeting the eligibility requirements to take the promotional examination for corporal shall be eligible to test for Police Officer First Class.

4.2 Promotion to the rank of Police Officer First Class shall be based exclusively on the results of a written test. The examination request process, notification process and testing process shall be the same as indicated in 2.1, 2.2, 2.3, 2.4, 2.5 and 2.6.

4.3 All officers who receive a passing score on the Police Officer First Class examination shall be promoted to the rank of Police Officer First Class.

4.4 Officers who attain the rank of Police Officer First Class shall receive a one-time payment of \$1,000 to reward their promotion. After the year of promotion, for each full calendar year in which an officer holds the rank of Police Officer First Class, the officer will be paid a bonus of \$1,000 no later than the first pay period of September.

4.5 The rank of Police Officer First Class shall not be used for shift selection or vacation preferences but shall be treated in the same manner as the Police Officer Rank for selection preferences.
