UCF Human Resources – Recruitment

USPS approval workflow

- Forward online hiring packets to Recruitment.
- Recruitment reviews the online packets and required documents (verifies qualifications with Compensation, salary, start date, & completes background check)
- Recruitment notifies department to schedule physical (if required)
- Recruitment approves the hiring paperwork and HM is notified via email that selected candidate is approved

UCF Human Resources – Recruitment

A & P approval workflow

- Search committee may or may not be required depending on the position. Interviews are conducted. Reference checks are completed.
- Status of all candidates are changed in the system to reflect results. Second source of advertising and reference check information is entered in the system.
- HM approves selection and electronically forwards the requisition up the chain for Final Executive Approval.
- Executive User forwards the requisition to "Final Recruitment Review."
- Recruitment approves and forwards to Compensation for approval.
- Designee in colleges/depts under AA area receives "Selected Candidate Approved" notification and A&P Agreement via email.
- Designee in depts under other divisions receives "Selected Candidate Approved" notification and agreement is printed and signed by VP.

UCF Human Resources – Recruitment

OPS positions

- May hire OPS without any posting 
- May select someone from an OPS pool. (An open posting to gather applicants interested in temporary employment in general categories (i.e. office support and computer support))

To request access to a specific pool, contact Recruitment at employment@ucf.edu

- Department may post an OPS opening just like a USPS position
