

PAYMENT OF LEAVE UPON TERMINATION

Termination Payouts – Departments must notify Human Resources (HR) via Electronic Personnel Action Form (ePAF) when an employee has terminated employment. Leave payouts are processed on the 2nd pay date following the last paycheck the employee received for regular wages. This allows the department sufficient time to verify that no overpayment has occurred, that all leave balances are accurate, and that all UCF property has been returned prior to a leave payout. Additionally, if the employee returns to a line position with the university during this time, they may be eligible to retain their leave balances.

Example:

-04/24/2020 - Employee's last day worked

-04/30/2020 - Pay period ends

-05/08/2020 - Last paycheck for regular wages paid

-05/22/2020 - Dept verifies pay, leave and property records by this paydate

-06/05/2020 - Leave payout processed on this paydate

[*Payout may be subject to the UCF 401\(a\) Special Pay Plan](#)
