People First (the state's insurance plan administrator) determines an employee's eligibility for state sponsored benefits offered through the Division of State Group Insurance (DSGI).

Ongoing Employee vs. New Employee Designation

People First classifies OPS employees employed with a state or public agency that participate in the State Group Insurance Program as either an Ongoing Employee or a New Employee. This classification is a determining factor in assigning eligibility.

Ongoing Employee	<ul style="list-style-type: none">▪ Employees outside of their New Hire Measurement Period; or▪ Employees rehired or transferring from <u>another state university within 26 weeks of termination</u>; or▪ Employees rehired or transferring from <u>another non-university state agency within 13 weeks of termination</u>
New Employee	<ul style="list-style-type: none">▪ Employee hired at full-time (30 hours or more per week) and immediately eligible to enroll in coverage; or▪ Employee hired at part-time (less than 30 hours per week) and not eligible to enroll in coverage

Plan Year Eligibility Criteria

Plan Year: January 1, 20xx – December 31, 20xx

- If Full Time Line or Full Time OPS employee changes to Part Time, they are still entitled to the Full Time Employer Premium for the remainder of their Stability Period.
- A decrease or increase in standard hours may impact eligibility for the next measurement period and plan year.
