In 2014, members voted to change the Association's fiscal year to a regular calendar year with yearly membership running from January 1<sup>st</sup> through December 31<sup>st</sup>. With that change in mind, the 2016 annual membership dues of \$15 needs to be paid by January 1<sup>st</sup>. Please send this completed form, along with your dues, to the UCFRA Treasurer:

**The UCFRA Needs You!**

The UCF Retirement Association is governed by a seven-member Board of Directors, composed of retired Faculty, A&P, and USPS, who serve two-year terms. In order to provide continuity, three board members are elected one year and four are elected the following year. (There were 3 new members elected at the Fall Luncheon to serve beginning January 1.) *Your* Association needs *your* help, *your* ideas, and *your* support to continue to operate smoothly. Please consider serving *your* UCFRA by indicating here that you would be willing to be nominated to the Board of Directors in the future.

\_\_\_\_\_ ***Yes!*** I would be interested in serving on the UCFRA Board of Directors.

*Thank you!*
