

RETIREMENT STATUS NOTIFICATION

Please check one box:

- I am a retiree (see definition below) of a State of Florida-administered retirement plan.
- I am NOT a retiree (see definition below) from any State of Florida-administered retirement plan. I have not concluded participation in the Deferred Retirement Option Program (DROP) within the past 12 months or received my first distribution or rollover from any State of Florida-administered retirement plan within the last 6 calendar months.

Retiree definition

You are considered retired if:

- You have received any benefits under the FRS Pension Plan (including DROP); or
- You have taken any distribution (including a rollover) from the FRS Investment Plan, or other state administered retirement programs offered by state universities (SUSORP), state community colleges (SCCSORP), state government for senior managers (SMSOAP), or local governments for senior managers.

I understand that as a retiree:

- If I am employed by a FRS-covered employer in any type of position during the first 6 calendar months after I retired or after my DROP termination date, my retirement and DROP status are voided, all retirement and DROP benefits I received **must be repaid**, and I must reapply for retirement in order to receive future benefits.
- If I am reemployed by a FRS-covered employer at any time during the 7th through the 12th months after I retired or after my DROP termination date, my monthly retirement benefit must be suspended and any unauthorized benefits received must be repaid.¹
- Florida law requires a return of all unauthorized Pension Plan benefit payments or Investment Plan distributions received by a member who has violated the FRS termination or reemployment provisions. Similar provisions apply to unauthorized SUSORP, SCCSORP, or other state-administered plan distributions. Failure to disclose retirement from a state administered retirement plan could result in disciplinary action up to and including termination.

¹There is one exception to the restrictions on reemployment limitations after retirement. If you are a retired law enforcement officer, you may only be reemployed as a school resource officer by a FRS-covered employer during the 7th through 12th calendar months after your retirement date or after your DROP termination date and receive both your salary and retirement benefits.
