UCF

Welcome

Colleagues,

During my first year with UCF, it has been very clear that our people are our greatest asset. Our faculty and staff believe in our mission, care about our students, and love the work that they do every day that contributes to our impact on society.

As the university works to achieve our vision for the future, we know we will not reach our goals without you. Your service to the university, incredible talent, and passion for uplifting our students and each other is immeasurable and appreciated.

We are so pleased to recognize your many contributions and celebrate these milestones and awards with you. Thank you for all that you do to increase our excellence and to make UCF a better place to work, learn, and grow.
