## Company Directory

### YOUR CONNECTION TO UCF...

- Search for a Person
- View Org Chart for a Person
- View a Person's Profile
- Link to Emails

You can now visually view a person within the context of the university and reporting structure. The chart will focus on a person and where he or she fits within the reporting structure.

There is also a profile page which enables users to view profile details about a person, such as his or her job details.
