# Employment Classification Change Matrix

The purpose of this matrix is to provide an overview of the changes to insurance, retirement and time off accruals in relation to various employment classification changes. The Human Resources Benefits Unit will send detailed emails to employees who are affected by employment classification changes with information pertinent to their classification change after it is entered by their department. Employees should contact the Human Resources Benefits team with any questions: Benefits@ucf.edu.

<td>USPS to A&amp;P or 12-Month Faculty</td>
<td>If enrolled, benefits will continue without interruption in coverage; or If not enrolled, cannot enroll until Open Enrollment unless you have a Qualified Status Change.</td>
<td>Now eligible to enroll in the State University System Optional Retirement Program (SUSORP). Election must be made within (90) days of employment classification change. Instructions for how to enroll in the SUSORP are available here. To speak to an unbiased Ernst &amp; Young financial planner to determine if the switch is best for you, contact the MyFRS Financial Guidance Line at 866-446-9377. If you are in the FRS Pension or FRS Investment Plan: To remain in compliance with section 121.35(3)(c) of the Florida Statutes, you will be defaulted into the SUSORP retirement plan during your initial 90-day eligibility window. During this time, this default election will reflect on your paycheck as &quot;Optional Retirement Program&quot;. If you wish to keep your current FRS Pension Plan or FRS Investment Plan enrollment, you will need to complete the ORP-ENROLL form indicating that you wish to remain in the FRS, and send the completed form to the Human Resources benefits team via secure eFax to (407) 882-9022. After processing, your funds will be transferred to your previous FRS retirement plan, and any service time that you had during that time will be allocated accordingly by the Division of Retirement. For College of Medicine Faculty: State University System Optional Retirement Program (SUSORP) is mandatory. Follow the SUSORP enrollment instructions for submitting the ORP-MANDATORY form on the HR website here. *For reemployed retirees: The State University System Optional Retirement Program (SUSORP) is mandatory for College of Medicine Faculty and reemployed retirees of the Florida Retirement System (FRS) Investment Plan and State University System Optional Retirement Program (SUSORP). If you are a reemployed FRS Pension Plan retiree not eligible for renewed membership or enrolled in DROP, you can disregard this section.</td>
